

DATE NIGHT!

French Invasion

F&B group French Creations, which runs the likes of Metropolitan and Saint-Germain, is solidifying its hold on the westside with two new ventures: **Pastis Wines Cellar** in Sai Ying Pun, and **Comptoir** in K-Town. Great for stocking up for a night in, retail shop Pastis offers wines exclusively from France, with affordable bottles at just under \$100 and double-magnums at just over \$300 for starters. Or if you're after a night out, Comptoir—due to open right about now—will be a cozy wine and hors d'oeuvres bar with, appropriately, a huge comptoir (a.k.a. counter) as a centerpiece.
