A taste of Paris at Metropolitain

A truly authentic Parisian-style bistro, Metropolitain, has just opened its doors in Sai Ying Pun. Open to the street, with cosy seating and a long bar, it certainly looks the part, and your favourite home-cooked French cuisine is prepared right before your eyes at the open kitchen. Chef Frank Lebiez's classic creations include onion soup, homemade foie gras and tempting traditional casseroles like *Boeuf Carotte*. Check out the nicely priced set menu available Tuesday through Friday, and the sumptuous weekend brunch. To reserve a table, call 6292 3779.
