

## Métropolitain

Inspired by Paris underground's architectural style, Métropolitain makes a great pitstop while you do sightseeing or appointments in the Central and Western districts. Craving a hearty roasted chicken with rosemary potatoes, a creamy salmon tartar, or melt-in-your-mouth apple pie à la mode? You can kick back at the marble bar or take a seat in the leather sofas, and enjoy these classics. Take your time, it's never rush hour at Métropolitain.

以巴黎地铁交通系统为装潢灵感的 Métropolitain 在时尚的西营盘，奉上热辣烧鸡迷迭香土豆，新鲜三文鱼挞挞，甜美苹果批配冰淇淋等均以现代手法演绎的经典菜式。无论您安坐在云石吧或皮革雅座都可以独享法国佳肴。悠然时光尽在 Métropolitain。
