

Pastis Bistro Francais

65 Wyndham St, Central, 2537 5702; french-creations.com. \$400. In the spirit of Le French May, Pastis has launched a selection of new dishes based on the cuisine of the Rhône Valley. The best part is you can combine the intense flavours of the region with some of its best wines – such as the salami duo from Lyon, paired with a glass of Laurus Viognier 2011, which is a match made in heaven. Beware – this won't be a light dinner, so come on an empty stomach.
