SUSAN JUNG, KOBİ CHAN

SAINT-GERMAIN

1A Wong Nai Chung Rd, **Happy Valley**. Tel: 2836 6131

The French chatter around the bar gives this spot a Parisian feel, while the jazz soundtrack and sympathetic lighting create a soothing ambience. The drinks: it's all about the wine. There are four reds and whites available by the glass – all French of course – as well as a rosé, prosecco and champagne. There's also beer on tap and the usual range of liquors and spirits. There's no cocktail list, but the barman whipped up a fruity vodka cocktail and martini on request.
